

SCHOOL BAGS AND UMBRELLAS

Prayer Topics * September 2025

Back to school. After a long vacation, here you see some of our children in their second day back at school. After over two months we notice that they've grown a little. And they have a lot to tell us about their summer adventures. Most of it believable. All of it exciting. School bags on their shoulders and umbrellas in their hands help them to come to terms with reality: the holidays are over.

We are pleased to open our doors and have them back again. This school year brings little change from the previous one. We continue to interview families that ask for our help and assess their circumstances. If the necessary requirements are met, maybe a new child will start with us in the next few weeks. A big thank you to all our friends, helpers, volunteers and financial supporters for being there alongside us and adding meaning and energy to our efforts.
