June 2026

TOGETHER, WE BUILD THE FUTURE

The 2025-2026 school year is coming to an end. With everything it has meant for each child and adolescent. All the **academic effort** and **educational improvement** they have achieved one more year. But for RIE, **our time is also running out with the deadline for starting the construction** of the new brand new residence for our children. As we mentioned a few days ago, we need to lay the foundation stone for the construction of the new building. We are excited and believe that what seems difficult can be made viable, like that first stone in David's sling that achieved the impossible against Goliath.

We encourage you to join this very special project that can offer so many opportunities in the future. Starting the foundation and main structure of the building costs €30,000. If we all contribute our bit, we can achieve it.

You can donate via **Bizum to 11554**.

You can make a **deposit or transfer** to our account ES51 2100 0831 1102 0130 6193, using the reference "*Primera Piedra*".

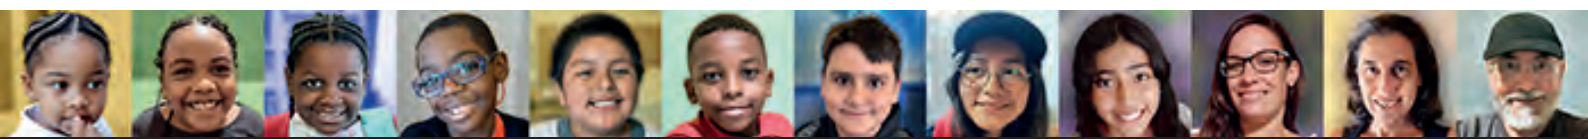

You will also help us **by sharing this email** with your family, friends, and network. With your support, we are sure we will achieve it!

THANK YOU 🙏

PRAYER TOPICS

For the **last weeks of the school term** for our children, that they can round off a good year of learning with some good school results.

To cover the € 30,000 needed to lay the **first stone** and pay for the foundations and structural work for our new Home.
